MAT-US-2000110 – P Approved for Distribution March 2020

Pandemic Safety Invitation Enclosure

Program will be run in accordance with Sanofi US' health and safety protocols relating to COVID-19. This is what you can expect:

The meeting will be limited to less than or equal to the number of participants permitted in the program venue by state/local regulations people and no "walk-in" guests will be allowed.

Prior to entering the program, all attendees should self-verify that they are not experiencing symptoms of COVID-19:

- Fever
- Cough
- Shortness of breath
- Aches
- Fatigue
- Headache
- Runny nose
- Sore throat
- Loss of taste/smell
- Nausea/vomiting

During the program, attendees are required to practice appropriate safety precautions as required by federal, state, local or establishment rules.

Please note that attendees who live outside of the local area may be invited to this program; accordingly, we recommend that all invitees review the CDC's guidance for "People Who Are At Increased Risk for Severe Illness" prior to attending this program.
