ASSOCIATION NEWS

AB 890

On September 29, 2020, Governor Gavin Newsom signed AB 890 by Assemblymember Jim Wood (D-Santa Rosa) into law after it passed through both houses of the California Legislature with broad bipartisan support.

AB 890 allows NPs to work without physician supervision, removing the supervisory requirement in existing law so NPs can provide the same high-quality care they do today and care more directly for patients.

If you weren't able to join us for the AB 890 Town Hall on November 12 – or if you attended, but want to view it again – the recording of the webinar entitled, “AB 890: Next Steps, Implementation, and Member Questions” is available [here](#). Also, stay up to date on AB 890 with our Overview of AB 890 [here](#).

Connections

In case you missed it, don't forget to check out our [January Connections newsletter](#), featuring articles on telehealth, COVID-19, preceptorships and focus on Jill Olmstead.

Connections is CANP's electronic newsletter, published 11 times each year (with a combined November-December edition), and combines information about NP practice issues, news about important Association developments, and other topics of interest to CANP members.

Chapter Leadership

It's essential that all rosters of chapter leadership are current so that we can provide the appropriate parties access to the [Chapter Leadership Toolset](#), resources, and emails. If your chapter needs to

submit an updated leadership roster to the statewide CANP office, please do so via email to jessica@canpweb.org. You can view your current chapter leadership roster on your chapter's page of the CANP website.

Taxes

It is each chapter's responsibility to apply for and maintain federal and state tax-exempt status. CANP offers the following resources to assist chapters with filing their taxes:

- [CANP Chapter Federal & State Filing Exemption Instruction Manual](#) – Provides direction in how to verify your chapter's status and other helpful resources.

- [Ask a Tax Question](#) – Allows chapter leaders to ask questions about tax filings and other issues related to financial aspects of running a local chapter.

Updated Dates: If your chapter tax year is calendar year (ending December 31) and your chapter is a corporation, please file your federal and California tax returns by April 15. If your chapter is tax exempt, the tax filing date is May 15. If your chapter is on a fiscal year (ending June 30), please file your federal and California tax returns by October 15. If you are tax exempt, the deadline November 15. Please consult your chapter tax advisor for more detailed information.

Political Action Committee

The Political Action Committee (PAC) is a critical part of the Association’s advocacy efforts, and we encourage chapters to continue to raise funds. The PAC funds convey our strength in numbers and a commitment to engage in the legislative process. The current balance in the PAC account is \$28,222.

All PAC donations must be submitted via personal check or credit card. Donations via cash or cashier’s check are not permitted. All donations must be submitted to CANP no later than 30 days post receipt of the donation. For more regulations and guidelines about conducting a PAC fundraising event, please visit our [PAC page](#).

Disclaimer: All contributions and gifts to the CANP PAC are considered voluntary political contributions and are not tax deductible. Contributions from any individual or entity may not exceed \$8,100 in any single year.

Job Center

CANP offers a comprehensive Job Center that is a one-stop shop for employers to post job openings and job seekers to post resumes and/or view job openings. We encourage chapters to promote this valuable service (while also requesting that chapters to not utilize other competing services). If you are requested by an employer to email a job announcement to your members, please refer them to the [Job Center page](#) to post the open position.

Strategic Plan

CANP’s 2018-2022 Strategic Plan was adopted by the CANP Board of Directors on January 20, 2018 and can be found on the CANP [website](#).
