THURSDAY, NOVEMBER 16, 2017
5:00PM – 8:00PM

CANP – Channel Islands
2017 Nurse Practitioner Week Celebration:
Embracing Technology & Increasing Access

Riverpark
2901 North Ventura Rd,
Suite 100
Oxnard, CA

Come #CANPsLead with us during our 2017 NP Week - learning how technology strengthens our mentorship with Nurse Practitioner students. An interactive and hands-on presentation will be delivered by one of our own CANP-Channel Islands chapter member. Cynthia Fiacco FNP-BC, with Dignity Health Medical Group, will speak and demonstrate how utilizing Google glasses has improved the NP mentorship experience. In collaboration with Azusa Pacific University she has adapted the use of Augmedix to ease the transition from NP student to Board Certified Nurse Practitioner.
