

October 2106

As we all know this election is extremely important and your vote will impact our country and state. CANP is asking that all chapter members get engaged within the political process at the local level and volunteer on a legislative campaign. We are not only nurse practitioners, we are CANP members and it is up to us to raise our CANP profile, build, solidify and/or expand relationships within the local elected official arena. **You will find below information covers incumbents and/or those running for a local office with the Santa Barbara and Ventura counties.**

When you have a moment connect with a campaign office of your choosing and if possible offer some assistance. Lastly, don't forget to capture your volunteer moment with a photo and send it to [CANPCI@yahoo.com](mailto:CANPCI@yahoo.com) and/or tag it to one of our social media outlets (*Twitter, Facebook +\|- Instagram – links are in the footer of this document*). Lastly, here is a link you can use to obtain an example ballot for your area.
