

CALIFORNIA ASSOCIATION
FOR NURSE PRACTITIONERS

Bridging Health Care Needs Award Nomination Criteria

Bridging Health Care Needs Award: recognizes nurse practitioners who are active as a catalyst for positive change in the health care system, and who demonstrate the value of the care nurse practitioners provide to their patients.

Below is a list of the criteria we are looking for in a Bridging Health Care Needs candidate*:

- A nurse practitioner who is recognized for clinical excellence
- A nurse practitioner who provides health care to the underserved
- A nurse practitioner who has been a positive catalyst for change in the health care delivery system
- A nurse practitioner who has met obstacles and challenges in serving patient populations
- A nurse practitioner who has made contributions toward the professional development of the NP role

*Candidates are not required to be a member of CANP
